

Nepal & Tibet Tour

Trip Overview

The Nepal Tibet tour is for those who prefer to explore both Nepal and Tibet. As a fact, this tour intends to offer a chance to observe and discover a variety of travels, tours, and audacious services. This great Himalayan nation comprises natural beauties, heritage importance, rich culture, and many more.

Tibet is a colorful country. Truthfully, it is a land of ancient Buddhist traditions. Tibet holds exceptional striking desert territory and many old monasteries. It is a mystifying terrain, an unspoiled nation at the grand of the Himalayas. Also, Nepal is a country rich in antique culture, lifestyles, and natural attributes like rivers, high mountains, and so on. The mountains here are mostly mesmerizing. On the other hand, Nepal is a rightful nation of UNESCO-listed World Heritage sites.

The in and out flight of Nepal and Tibet on this tour begins between Lhasa and Kathmandu. This tour provides the most incredible scenes of high mountains and observation of the artistic history of major towns. Further, the richness of fascinating historical monasteries like Potala in Tibet makes this trip exclusive and gives great experiences.

The difficulty range of this tour is medium. Besides, the best time of the year for this tour is March to September and October to December. Every traveler can expect to have a great experience while commencing this journey.
